

FreedomPath Income / Earnings Disclosure

FreedomPath launched its direct selling opportunity in September of 2022. Because of the recent launch of the FreedomPath opportunity, the company has not yet had the ability to determine the average or typical earnings of independent FreedomPath Advisors. As soon as that information is available, we will publish an Income Disclosure Statement and provide it on this page. Please return to this page periodically for updated information.

Any income or earnings examples for the FreedomPath Advisor opportunity that may be displayed at this website are hypothetical examples that are intended to explain the components and operation of the FreedomPath Compensation Plan. These hypothetical examples are not representative of the income, if any, that a FreedomPath Advisor can or will earn through his or her participation in the FreedomPath opportunity. Any such figures should not be considered as guarantees or projections of your actual earnings or profits. Success as a FreedomPath Advisor results only from successful sales efforts, which require hard work, diligence, and leadership. Your success will depend upon how effectively you exercise these qualities.

If you enroll as an independent FreedomPath Advisor, you will incur expenses related to the operation of your independent business. Such expenses may include, but are not limited to, the purchase of a starter kit, payment of enrollment, monthly technology, and/or renewal fees, shipping costs, transportation costs, training and educational expenses, and travel expenses. In some cases, these costs and expenses may exceed the amounts earned by Advisors from FreedomPath.

FreedomPath does not permit independent FreedomPath Advisors to make any type of earnings or income claims or representations when promoting the FreedomPath opportunity as any representation or guarantee of earnings, whether made by FreedomPath or an independent FreedomPath Advisor, would

be misleading. Should an independent FreedomPath Advisor make any such claim or representation to you, or if you view any type of income or earnings claim or representation in any social media post, text, email, or other presentation, please contact us at compliance@freedompath.com.
